

SUPREME COURT RULING DA 15-0055

MMP IMPLEMENTATION UPDATE

PROVIDERS

- Providers are identifying a maximum of three cardholders to be retained. Providers may continue to serve their registered cardholders until August 31, 2016.
- Providers are asked to encourage their cardholders to submit the Registered Cardholder Information Change (RCIC) now. Cardholders can continue to receive marijuana from their named provider until August 31, 2016.

CARDHOLDERS

- Cardholders who are currently their own provider are not impacted by ruling. No action is needed.
- Cardholders not retained by a provider will be issued a temporary card after August 31, 2016 naming them as their own provider with instructions on what will be necessary to remove the temporary status of the card.
- Cardholders submitting a completed Registered Cardholder Information Change (RCIC)* naming themselves as their own provider will be issued a card after August 31, 2016 naming themselves as their provider. No further action is then needed.
 - Cardholders who want to become their own provider prior to August 31, 2016 may submit a Change Request Form now.

*Please note An RCIC is not a substitute for a cardholder application or Change Request Form.

PHYSICIANS

- Board of Medical Examiner notifications will not begin until September 1, 2016.
- Only physician statements signed after August 31, 2016 will be included in the count.
- The Board notification will include only the physician's name and the date that the number of MMP recommendations reached 25.
